5. Libros y patentes:

Book Chapter: 4D flow imaging. Book Title: *Imaging of the Cardiovascular System, Thorax, and Abdomen*. Editorial Taylor & Francis. In Press.

sería ideal si se pudiera colocar en algún lugar la página del centro de imágenes que es donde desarrollo principalmente mis temas de investigación: <http://www.mri.cl/>.

También quizás sería bueno incluir un link a un sitio como pubmed o de google scholar de cada investigador.
